

PhotoSCENE 2019 - A Natural History Photographic Competition

The PhotoSCENE competition, sponsored by GNHS and Glasgow University Institute of Biodiversity, Animal Health and Comparative Medicine, aims to promote interest in Natural History and the work of SCENE (Scottish Centre for Ecology and the Natural Environment, the University's field station at Rowardennan), promote linkage between the Institute and the Society and provide pictures for publicity. All entrants are thanked for making the effort to enter the competition. Prizes totalling £800 per year have been awarded at the Society's photographic nights. Since the first competition in 2011, and together with talks from members, the competition has provided us with an interesting photographic evening each February. This year there were 72 entries from 20 people. Here are the prizewinners:

First Prize - Common Frog by Andy Wilson

There were 10 Second Prizes:

Arctic Tern Chick feeding
by Thomas MacGillavry
